- 1.] The anti-ragging Committee was conducted to review the actions taken over the past three months. The chairperson discussed the effectiveness of previous awareness programs such as Seminars & orientation.
- 2.] Members agreed that while these initiatives were helpful, more interactive & engaging activities should be introduced to improve student participation & understanding.
- 3.] The Committee reviewed the current situation of ragging in the Institute & noted that no major incidents were reported during this period. This reflects a positive & disciplined campus environment. However, members stressed the need for continuous monitoring & encourage students to report any minor issue without fear.
- 4.] The Committee also decided to strengthen awareness & monitoring system. By organizing regular workshops, displaying informative posters and improving supervision in campus & hostel areas, it was also suggested to establish an easy & confidential complaint mechanism to ensure quick action. The meeting concluded with a commitment to maintain a safe and a ragging free environment.

Minutes of Meeting

- 1) The anti-ragging committee meeting was held to conduct a mid year review of the anti-ragging policies and measures implemented in the institutions. The chair person discuss effectiveness of existing rule & regulations, and member agreed that the overall implementation has been satisfactory. However it was suggested to make certain policies more strict and visible to student.
- 2) The committee review feedback collected from student, faculty, parents regarding the campus environment. It was observed that most student feel safe and comfortable but some suggested increasing awareness activities and improving communication channel for reporting issues. Committee agreed to work on this suggestion.
- 3) further, the committee identified potential risk areas within the campus such as hostel, canteen zone & isolated places, where ragging incident could possibly occurred. Member discuss the need to increase monitoring in this areas through regular check and staff supervisor.
- 4) Finally the committee plan advance preventive strategies including strengthening the mentoring system, displaying help line numbers, conducting surprising inspection, and ensuring a confidential complaint mechanism. The meeting is concluded.
